⚠ Rutschgefahr beim Transport mit Stahlgabeln (Stahl auf Stahl).
 Danger of slipping if transported using a fork lift truck which has steel forks (steel on steel).
 Attention, en cas de transport avec une fourche en acier, les machines risquent de glisser (acier sur acier).
 Bij vervoer per vorkheftruck kan het apparaat gaan glijden (metaal op metaal)!
 Pericolo di scivolamento se per il trasporto si utilizza un carrello elevatore con forche in acciaio (acciaio su acciaio).
 Riesgo de que se resbale el aparato durante el transporte con horquillas de acero (acero sobre acero).
 Perigo de deslizamento ao transportar sobre patolas de aço (aço com aço).
 Luisumisvaara haarukkatrukilla kuljetettaessa (teräs terästä vasten).
